Mr. West asked if there is anything else that needs to be changed in the investment portion. Mrs. Levy will get in touch with the City Attorney regarding this issue.

After discussion the Board decided they were not able to pursue this fund.

Mr. Goldstein made a motion that by the end of the first quarter of 2020, the Board Attorney and Investment Monitor work together to discuss the matter with the City Manager and possibly make a presentation to the City Commission to bring this issue of a change in the investment ordinance to include this type of investment in the Ordinance, seconded by Mr. Sweat. ## Attorney's Report

Mrs. Levy informed the Board that we had a recent widow inquire as to the taxes taken out of her deceased husband's pension benefit. Mrs. Levy explained in detail how members choose their withholding and the notices that members and beneficiaries receive and that FTIS will send out a form yearly indicating their current deduction and giving them the opportunity to make any changes for the coming year.

A question has been brought to Mrs. Levy's attention if details at the arena are pensionable or not. Mrs. Levy is looking into this and trying to get some historical data.

## **Administrator's Report**

Mr. Williams distributed the 2020 meeting schedule to the Trustees. Mr. Williams congratulated the Board on applying for and receiving the Public Pension Coordinating Council Award for 2019. Mr. Williams thanked Anthony and the City for their participation in this.

## New Business

Mr. Douglass came before the Board to ask for permission for the FOP to use the Pension Office for their monthly meetings. Mr. Goldstein made a motion for the Board to grant permission for the FOP to use our office, seconded by Mr. Bettencourt. Motion passed 3-0. (Mr. Sweat was not present for the vote). Mrs. Ostrander contacted the landlord regarding the FOP possibly leasing the open space next door. Mr. Douglass was able to look at the space and talk to the landlord. They will get him information on a police discount for his pricing.

Mr. Bulzone asked the Board about Mr. Hughes' excess benefit and the portion paid by the City. He explained the current method of payment and that the city was not able to do a direct deposit when they begin payments since the current method was for the plan to pay the benefit until they hit the 415 limit and then the city takes over through the excess benefit plan. Both the actuary and counsel had initially proposed that the payments from the city and the plan be over a 12-month period and that may be best because then there will be no issue with the city direct deposit and insurance deductions through the fund will continue. Mr. Williams made a conference call to Mr. Hughes (12:32 P.M. to 12:35 P.M.). After lengthy discussion, it was agreed that the actuary will determine the amount owed by the plan up to the 415 limit and then the total of the excess benefit plan payment which will be paid out over the calendar year. Mr. Hughes will receive two direct deposit payments per month (one from the City and one from the Pension Plan), that will total his monthly payments. This will ensure the insurance is being paid and the member will not have to write a physical check to the city each year. Mr. Williams reiterated that each year we will get a letter from the Actuary saying how much the Police Plan will pay; how much the General Plan will pay and that will be sent to the member, so he is advised. Mr. Hughes was called back regarding him taking advantage of the pretax (pension protection act).

# Old Business

Trustee Training – Mr. Bettencourt asked if we can start a trustee training program. Mrs. Levy stated that she knew of other boards that allow members who show an interest in the board to attend educational training prior to being appointed to the Board. She will bring language for the operating rules to the next meeting.

## **Open Board Discussion**

Mr. Goldstein asked if we have disability members re-checked by a doctor. He feels it would be in the best interest of the plan to have disability members randomly re-checked. Mrs. Levy stated that it says in the ordinance that if you are receiving a disability benefit, you are subject to periodic examinations by a medical professional.

Mr. West stated that he invites both Unions to the meetings.

## **Adjournment**

Motion to adjourn at 12:45 P.M. by Mr. Bettencourt, seconded by Mr. West. Motion passed 3-0. Mr. Sweat was not present for the vote.
